A very warm welcome back to the 2013 school year. I hope all staff, students and families had a wonderful holiday and are well rested for another busy year of teaching and learning at Erina High School. A special welcome also to our new families and in particular our Year 7 parents and carers.

We have started the school year with an enrolment of 846 students, 61 teaching staff and 15 school assistants. Sadly we have farewelled 4 long standing staff members who have joined the retirement ranks after a combined service of 150 plus years dedicated to public education. To Mr Shadbolt, Mr McMaster, Mr Whatson and Mr White we sincerely thank each of them for the enormous commitment and contribution they have made to the students and staff at Erina High School. I know the school community join with me in congratulating them on a very successful teaching career and wish them every happiness, good health and good times during their retirement.

Two of our staff have accepted temporary positions for a 12 month period, Mrs Bayliss as Head Teacher English at Wyong High School and Mrs Gillard as Head Teacher mentor across several Central Coast High Schools. We wish both Mrs Bayliss and Mrs Gillard all the very best in these positions.

We welcome back Mr Wellham to his position as Head Teacher Mathematics after a secondment as a numeracy consultant in the Hunter/Central Coast region and Mr Brendan Jones Head Teacher PDHPE after a secondment with the department supporting a technology program called PLANE. A warm welcome to 3 new members of staff, Ms Sarah Bissett and Mrs Lisa Ritchie joining the English faculty and Mr Ben Joyce joining the HSIE faculty.

Mr Peter King and Mrs Keegan Raeside will continue in the Mathematics faculty in temporary positions, with Mr Jason Riley and Mr Mark Theakstone relieving in English, Ms Rebecca Slocombe in HSIE, Ms Emma Zouroudis in Music, Ms Josie Bonfield in PDHPE and Ms Ella Raftery in Science. A warm welcome to our temporary staff.

All students have started the school year positively and focused on learning, thanks to our Year Advisers and Head Teachers for ensuring students are aware of their new classes and assisted in settling students into the new school year. I am delighted to see so many students wearing their school uniform proudly and looking fantastic. Thank you to all the families who have ensured their children are equipped with the school uniform which builds pride and a positive school culture that is supported and expected by our community.
It is important that students are well prepared for learning each day that requires them to be equipped with appropriate writing materials, books and laptops if issued as well as specialist equipment for Technology, Art, Sport and PE lessons. Students are expected to carry their equipment in suitable bags that protect and secure their materials.

I am pleased to report on our strong HSC results from 2012. We had 4 courses above state average these being Engineering Studies, Industrial Technology Timber, Standard English and Human Services. Our top band tally was 4 band 6’s, 45 band 5’s and 181 band 4’s. Congratulations to all students and HSC Teachers on such fine results. A detailed analysis of the HSC results will be published in the Annual School Report available later in the term.

A special mention to our year 7 students who have settled in to school life at Erina extremely well. I am very pleased to see all students participating in learning and managing the transition with ease. Congratulations to Mr Sweeney, Mr Schoffl, Ms Kearney, Mrs Serrano and Mr Knight for their support in ensuring our year 7 students were well informed and cared for during the first critical days of high school. A reminder to parents who have concerns about their student’s learning or wellbeing that they should contact their children’s year adviser or Ms Kearney - Welfare Coordinator as the first point of contact. I have listed each of the year advisers for your information.

I have also included a list of our Executive for families to contact if they have particular concerns or questions and can direct the enquiry to the best person. Erina High School is committed to positive communication and believes problems are better solved when shared and discussed. Please be aware that both our Year Advisers and Executive have a teaching load and may often not be able to return a phone call on the same day, but will certainly make contact at the first available opportunity.

</table>
In 2013 there has been a change with the formation of an integrated HSIE (Human Society and its Environment) faculty. This faculty will see the combination of the Social Science and History faculties into one. These staff will be located in A block in the Social Science staffroom which will now be called the HSIE staffroom. Ms Johnson and Ms Keane will be relieving as Head Teachers until this position is filled later in the term.

Mr Schoffl’s position has been reclassified to Head Teacher Teaching and Learning where he will manage the learning opportunities classes in stage 4 and manage learning support, curriculum modification and gifted and talented education. The teaching and learning staff will include Ms O’Mahony, Mr Dodd, Mrs Swain, Mrs Sweeney, Mrs Lynch and Mrs Svich who will reside in the old history staffroom. This is a great opportunity for Erina High School to support teaching and learning for all students with targeted specific programs to meet the learning needs of all students.

I have included an article regarding attendance provided by the Department of Education and Training. Erina High School is committed to working closely with families to ensure all students attend school on a regular basis. Successful students are those students that attend every school day possible and attend all 5 lessons each day. Missing one school day means missing 5 lessons which causes difficulty when students next attend because they often have missed vital concepts that can cause them undue stress and anxiety. Please contact school personnel if you are concerned about your child’s attendance patterns. The school will continue to make regular courtesy calls to families when students are absent from school in an effort to improve regular student attendance and provide early support to students who are struggling to attend school.

**SCHOOL ATTENDANCE – PROCEDURES**

Regular attendance at school is essential if students are to maximise their potential. While parents are legally responsible for the regular attendance of their children, school staff, as part of their duty of care, monitor part or whole day absences.

Principals may grant:
- ‘sick leave’ to students whose absences are satisfactorily explained as being due to illness. The principal may request a medical certificate when absences are frequent or prolonged.
- ‘leave’ to students totaling not more than 15 days per school year.

Principals may decline to accept as satisfactory an explanation for an absence. In this case a capital ‘A’ would be marked in the roll to denote an unjustified absence.

Applications for leave in excess of 15 days (eg. for family holidays, domestic necessity, employment or health of the child) should be treated as applications for exemption from school attendance. *Application for Exemption* forms are available from the school and must be returned to the principal before the leave is required allowing time (at least 14 school days) for the application to be processed.

Home School Liaison Officers conduct regular roll audits of school attendance registers and provide support to principals when a student’s pattern of attendance is of concern.

The policy *School Attendance in Government Schools – Procedures* has recently been revised. A copy of the policy can be obtained from the Department’s “Our Policies” website.
SCHOOL CONTRIBUTIONS

In the coming weeks families will receive an invoice outlining the school charges that cover the cost of materials used to support teaching and learning. There are three contributions that families are encouraged to pay. One is the School Voluntary Contributions that goes towards the cost of the following items:

- Updating textbooks
- Purchasing new novels
- Software programs and licensing agreements
- Library books
- Stationery items
- Photocopying
- Printing
- Sporting equipment

The second cost covers elective charges for consumable materials. It is mandatory that these courses are paid for to ensure students have the best opportunities to support their skill development. Some of the consumable materials include but are not limited to:

- Timber
- Metal
- Food
- Textile fabrics and accessories
- Paints, canvases, art diaries,
- Ink cartridges for printers and paper
- Guitar strings and other music consumables
- Resource booklets

It is an expectation that students pay for these courses, not all elective courses have charges so students and families should be aware of the costs involved before electing these courses. All year 12 students are expected to have paid for their elective courses before being eligible for an invitation to the year 12 Formal in November.

The third charge is a P&C levy that provides additional resourcing for the school to update technology, library and teaching and learning resources. As the P&C do not have a fund raising program the levy is a great way to support your local school without being regularly expected to contribute or participate in fund raising ventures. This is a charge per family only.

Genuine financial hardship can be considered through a student assistance application available from the Administration Office. Applications are confidential and addressed to the Principal only. Erina High School greatly appreciates families paying these charges as the funding is vital to ensure we provide the best educational resources and opportunities for our students to be successful.

I wish all staff, students and families a great year of learning in 2013 at Erina High School.

Yours Sincerely,

Mrs Karen Nicol
PRINCIPAL
YEAR 11 and YEAR 12

Congratulations to the students on their smooth start to the year. A number of Year 10 and Year 11 students have made changes to their patterns of study to better fit their requirements for future pathways.

Years 11 & 12 have now both received their assessment schedules. The work load will be heavy for most students with a possible six (6) tasks each term. Each subject studied involves assessment tasks or events. Late tasks will receive no marks so it is essential that students are focused in class and work consistently to achieve course outcomes.

Students studying VET subjects will complete their work ready program this term. Work placement will be in Term 2 and all construction students must complete their white card to be eligible for competencies and to meet Board of Studies (BOS) requirements in construction.

If parents have any concerns please phone me on 4367 7353

Vicki Smith
DEPUTY PRINCIPAL—DEVELOPMENT

TIPS FOR HSC SUCCESS

➔ To be the best you have to be the best prepared and the only way to achieve this is to work hard
➔ Top students study for two to five hours on a week night and three to six hours a day at weekends
➔ Put distractions (magazines, games, TV) away
➔ Turn off mobile phone
➔ Make a list of deadlines
➔ Try using earplugs and listen to music only when doing undemanding work
➔ Consider studying in a library where there are fewer distractions
➔ Find study buddies for sharing notes and discussing ideas
➔ Consider a tutor because they force you to work and can change your attitude to a subject
➔ Get help from your teacher
➔ Get family members to test you before exams
➔ Plan your week ahead
➔ Remember to take breaks
➔ Use the course syllabus as it is a guide as to what should be in your study notes
➔ Write brief notes and review them immediately. Review them again after 24 hours and then twice a week thereafter
WELCOME YEAR 7

We would like to extend a warm welcome to our Year 7 students and families. We hope that your journey into high school has been a smooth and exciting one so far. As Year Advisers we are pleased to cross paths with so many delightful students each day and it is clear that many students have already taken to high school like ducks to water.

This is already proving to be a busy term with the swimming carnival, first assessment tasks and school photos fast approaching. Year 7 Camp is set down for midway through Term 2 and information will be available very soon so stay tuned.

Just a few reminders for our Year 7 students:

- We now start each morning with a 20 minute roll call and it is important that all students bring a book to read in that time
- Remember to wear correct footwear at all times. Leather, enclosed shoes are mandatory for all practical subjects
- Immunisation forms have been given to all students. It is important that they are completed and returned to school as soon as possible

Finally, Year 7 curriculum night will take place on Wednesday 20th February. If you are unable to make it or you have any queries or concerns, please don’t hesitate to contact the Year 7 Year Advisers at any stage.

Carmen Serrano & Ross Knight

YEAR 7 ADVISORS
ERINA HIGH SCHOOL SWIMMING CARNIVAL

The Annual Swimming Carnival will be held Monday, 25th February, 2013. The carnival will be held at Gosford Olympic Pool, York St, Gosford. The carnival will begin with a roll mark at 9.15am and conclude at 2.50pm after roll mark. Buses will return to school in time for buses home.

Students can make their own way to the pool or catch a bus from school at 8.45am sharp. The cost of return travel is $3.50. This needs to be paid by Friday 22nd February as seats are limited. Money for the bus must be paid at the Front Office. Buses will leave from the pool at 2.50pm so that students may catch normal buses home.

The cost of entry to the pool is $3.20. Students should try to have the correct change for pool entry. As it is a normal school day, all students are expected to attend and participate to the best of their ability.

For students who wish to compete in the longer distance events (200m, 200m I.M., 400m) these will be held at 8.30am sharp.

Grant Keyes
Sports Organiser
Year 9 Year Advisor

SCHOOL PHOTOGRAPHS

School photographs will be taken on 15th March. All students will get their pictures taken. This allows picture ID cards to be made for each student – each student gets an ID card which is also their library card at no charge.

If you want to get photos, students MUST return the photo envelope with money enclosed ON THE DAY OF THE PHOTOS ONLY. Payments can be made online for a surcharge of $1. The school does not handle any of the money and will not collect it prior to or after the day of the photos. Students will be given these envelopes 2 weeks before the day.

Prices for the photos are ….. (more details will come with the envelopes)

- Option A - Ultimate Photobook Pack $40
- Option B - Regular Photobook Pack $35
- Option C - Basic Photobook Pack $31
- Option D - Photobook Only - $29 – Year group plus student portrait
- Option E - Group Presentation - $25 – Year group only

Mr B. Wellham
Head Teacher Maths
ENGLISH

The English/Drama department would like to welcome students back to EHS for the new school year. We have another big year planned in English with a firm focus on teaching and learning, guiding our students to reach their full potential.

Year 12 English have plunged back into their HSC courses. Standard English are currently undertaking a film study, analysing how images are used to create meaning. Advanced students have begun their comparative study looking at Frankenstein and Blade Runner and their depictions of the world. Our English Studies students are studying the concept of ‘Playing the Game’, looking at a variety of texts that focus on adventure and travel while our Extension English students are continuing their study of “The Global Village.”

Year 11 Preliminary English students are settling into their senior courses. Both Standard and Advanced are studying the theme of Freedom, analysing how texts vary in their depiction of this theme. Year 11 English Studies are studying the unit “Achieving through English.”

All junior classes have started the year with a novel study. This study concludes with an assessment task in week 9 which is a speech. All junior classes have also been given a booklet that outlines what will be covered in English this year, expectations and guidelines. If you would like to discuss the contents of this booklet, or your son/daughter did not receive one, please contact me as soon as possible.

Another addition to English this year has been the inclusion of intensive language lessons. In years 7 to 9 these lessons are designed to improve every student’s literacy skills with the NAPLAN tests in mind. Year 10 students will also have a literacy lesson to develop their literacy skills so all students are equipped with the skills required to complete senior English. If you would like to discuss these booklets with me do not hesitate to call the school on 4367 7353.

Mark Chapman - Head Teacher
English/Drama

DRAMA

Drama classes have returned eager to begin the year with a bang! We have lots planned and look forward to working with both returning and new students.

Junior Drama classes are starting the year off with teambuilding and trust activities to ensure they become a cohesive team in the performing arts. Students will then work through the elements of drama, characterisation and script writing before attempting their first group performance task later in the term.

Year 11 students will revise skills gained in the junior school, looking particularly at performance techniques and engaging an audience. They will then script and perform a duologue for their first assessment.
Year 12 students attended the annual ‘On Stage’ performance on Monday 4\textsuperscript{th} February. This performance is a showcase of the top group and individual performances from around the state in 2012, giving students the opportunity to see how they can gain solid results in their performances.

Year 12 are currently finishing off their study of Berthold Brecht before beginning their study of Contemporary Australian Theatre.

Please watch this space for upcoming performance nights as we are planning a junior night in Term 2 and senior night in Term 3.

The English/Drama Department would like to warmly welcome Year 7 students to Erina High School. Classes have settled into the rigors of high school life. Again, if you have any questions please do not hesitate to contact the teacher directly.

2013 is shaping up to be a busy year. We encourage all students to talk to their teacher if they have any questions regarding the year ahead. If parents have any questions about course content or assessment tasks please feel free to contact us.

Mark Chapman - Head Teacher
English/Drama

**VISUAL ART**

Last year ended on a high for four talented Year 7 Art students who were chosen to have their work exhibited in *A Central Vision Art Exhibition* in 2013. The exhibition features the best works by the most talented students from Central Coast Secondary Public Schools. The lucky students, who are now all in Year 8, are Zachary Christie, James Rhodes, Molly Binstead and Jaclyn Chambers. All selected works are on display in the professional setting of the Gosford Regional Art Gallery for the whole community to admire. A professionally printed colour catalogue, showcasing featured student artists, will be available on opening night.

You are invited to attend the exhibition which officially opens on **Friday 15\textsuperscript{th} February at 5pm at the Gosford Regional Gallery, Caroline Bay, East Gosford.** The opening night will also see the announcement of Art prizes to students who will be receiving special recognition for their amazing efforts and creativity.

Congratulations to Zachary, James, Molly and Jaclyn for their tremendous achievement!

Mrs Scott
ART DEPARTMENT
YEAR 10 TEXTILE AND DESIGN

Students began their unit on ‘Reusable and Recyclable Textiles’ by experimenting with design, through the creation of apparel items using newspapers as the main resource. They will next be reinventing an unwanted textile item from home and transforming it into a usable item. This activity encourages creative thinking and enables students to develop skills in the management of their own resources whilst reducing their own environmental footprint.

MATHEMATICS

It is great to be back at Erina High School after my stint as a consultant, working in schools across the Hunter Central Coast Region and I am looking forward to time back in the classroom.

One of my aims is to have students go beyond computational skills and promote mathematical thinking and reasoning in all classes. To do this there will be an emphasis on real world maths that is interesting. However, there will also be plenty of time for the practice of computational skills and written exercises – not everything changes!!

Calculators are no longer available from the school as we can no longer compete with discounted calculators at retail stores. All students need a scientific calculator and we recommend the Casio-fxAU Plus.

Textbooks are getting bigger and heavier – the best option is to download the texts electronically onto a computer – see your class teacher to arrange this.

In the picture Mr Knight’s Year 7 class is using Pythagoras Theorem (a 3-4-5 triangle) to create a right angle in the same way a tradesman (e.g. builder or concreter) would do it when at work.
Also shown is Mrs Chand demonstrating a clinometer to her Year 8 class. The students will use this and to calculate the height of trees.

Senior students can find the extra workload difficult. To help students ensure they have a good understanding of the work, Mr Wellham will be available in F6 after school on Wednesday (Week A) and Thursday (Week B) to give students assistance.

Mrs Drakos is seen hard at work with her Year 12 General Maths class.

Mr B. Wellham
HEAD TEACHER MATHS

LOST BUS PASSES

Busways are happy to inform you that replacement bus passes are now available to purchase online. Just visit our website at www.busways.com.au — select the Central Coast Region and School Bus Passes.

Term bus passes for students who are NOT eligible for free travel are also available to purchase online at the same internet address/details as above.

Regards
BUSWAS GROUP PTY LTD
WELCOME TO PE in 2013

I’d like to take this opportunity to mention a few key points for parents and students as the school year in 2013 begins.

Staffing

The PE staff have had some changes over the break. Most notably:

- Mr Jones has returned and resumes as Head Teacher (thanks for all the great work in my absence, Miss Williams!)
- Mr Keyes will coordinate Knockout sport and sports Carnivals
- Mr Dodd will coordinate school sport for Years 9 & 10
- Miss Bonfield has joined the faculty for the year, and she will coordinate Dance

Sport

Erina High School has a Sport Agreement that all intending representatives and their parents must read and sign before they can play. These will be given out at team meetings by teachers/coaches. Make sure they come back to avoid any disappointment.

Year 11 will be issued with their Sport Exemption Agreements in the next week. In a nutshell, Year 11 students need to do 80 hours of Sport to satisfy Preliminary requirements. We offer a couple of options for them to complete this requirement. Please read the note for all the details, choose the best option and return the Agreement to Mr Jones before the end of Term 1.

Materials for PE

The students in Years 7 through 10 should have been given a pink document titled “Personal Development, Health and Physical Education (PDHPE) in Years 7-10” in class as part of their orientation to 2013. It explains our policies and procedures for PE and Health lessons. There is a return slip for parents who would like to exempt their students from certain activities. Please read the document carefully. If you have any questions, don’t hesitate to call Mr Jones via the Front Office (4367 7353).

Laptops

Students in Years 10, 11 and 12 that have PDH lessons must bring their laptops. The PE staff have developed a wide variety of digital resources that need laptops to access them. Please encourage your students to have their laptops in working order and fully charged for lessons. Erina High also has a Twitter account @ Erina_HS and a Facebook page http://www.facebook.com/ErinaHighSchool Any last minute announcements regarding carnivals, sporting events etc will be made there.

If you have any questions about the PDHPE program at Erina High School, please call Mr B Jones via the Front Office (4367 7353).

Mr Brendan Jones
Head Teacher PE
NSW SCHOOL-BASED VACCINATION PROGRAM

Each year NSW Health offers the vaccines recommended by the National Health and Medical Research Council (NHMRC) for adolescents as part of the school-based vaccination program.

In 2013 the following vaccines will be offered:

- Diphtheria, Tetanus and Pertussis (Whooping Cough) vaccine for all Year 7 students
- Human Papillomavirus (HPV) vaccine will be offered to Year 7 male and female students, and to Year 9 male students, as a 3-dose course over a six-month period (students who commence HPV vaccination in Year 7 but do not complete the course may be offered catch-up doses at school into Year 8)
- Hepatitis B vaccine for all Year 7 students who have never received a course of Hepatitis-B vaccine when they were a baby
- Varicella (chicken pox) vaccine for all Year 7 students who have not previously received varicella vaccine or had chickenpox disease.

Parent Information Kits will be sent home to parents/guardians. To consent to the vaccination of their child, parents/guardians are advised to read all the information provided, complete the Consent Form and return it to their child’s school. Please ensure that your child eats breakfast on the day of the school vaccination clinic.

Parents/guardians who wish to withdraw their consent for any reason may do so by writing to the school Principal. The Procedure for Withdrawal of Consent is available on the NSW Health website at www.health.nsw.gov.au/immunisation.

To improve vaccination completion, students will be opportunistically offered any missed doses throughout the year where possible.

Please note that for HPV vaccine only, parents/guardians must record their Medicare Number (all 10 digits and the 11th number beside the child's name) on the Consent Form, as this is required to record the student's information on the National HPV Vaccination Register and, for female students only, link to the National or State Cervical Screening Program.

A Record of Vaccination will be provided to each student vaccinated at the clinic. Parents/guardians should ensure that this record is kept for future reference and should not assume that their child has been vaccinated if they do not receive this Record of Vaccination.

HPV VACCINATION FOR BOYS TO COMMENCE IN NSW

Boys in NSW high schools will be offered human papillomavirus (HPV) vaccination from 2013 to provide protection against developing infections that can lead to cancer.

In 2013, the 3-dose course of vaccine will be offered to:

- Year 7 boys as part of the routine school-based vaccination program
- Year 9 boys as part of the national 'catch up' program in 2013 and 2014 only

HPV vaccination has been offered to female students in Year 7 since 2007. In 2011, 81% of Year 7 girls received at least one dose of the three-dose course of HPV vaccine.
HPV is the name given to a group of viruses that affect both females and males. Most people who are sexually active will have a genital HPV infection at some time in their lives. HPV infection usually causes no symptoms and goes away by itself. However, in rare cases infection can cause life-threatening cancers. Almost all cases of cervical cancer and genital warts are due to HPV infection. HPV also causes cancers in other parts of the body, including the vulva, vagina, penis and anus.

The vaccine is highly effective in preventing the main types of HPV infection and is most effective when it is given to people before they are exposed to the virus. As well as protecting males from HPV infections, immunising young men will also help protect women from infection. The vaccine is registered for use from 10 years of age and is only provided free for male students who commence the course in Year 7 or Year 9.

*Parent Information Kits* will be sent home to parents in early 2013. To consent to vaccination, parents are advised to read all the information provided, complete the Consent Form and return it to their child’s school.

Students in Year 7 will also be offered vaccination against other diseases, including diphtheria-tetanus—whooping cough (dTpa), hepatitis B and varicella (chicken pox). For more information please visit [www.health.nsw.gov.au/immunisation](http://www.health.nsw.gov.au/immunisation)

TRIVIA NIGHT

There will be many games, prizes and vouchers given away throughout the night and a major raffle of $2000 worth of 2GO radio advertising for your business, community or personal use. We will also raffle an overnight stay at a luxury resort as well as a signed Mariner's football. Mal Kirkpatrick (teacher, previously of Erina High) will be the Trivia Master for the night.

Money raised on the night will go to Rotary Youth Projects such as Rotary Youth Driver Awareness (RYDA) and Model United Nations Assembly (MUNA) as well as the National Youth Science Forum and many other youth projects. Also local Community Projects such as Sailability which provides sailing opportunities for the disabled.

We encourage Parents, Friends, Teachers and Ex-Students to attend. BYO nibbles and drinks for the night. Tea and Coffee will be provided.
The Rotary Club of Erina, Inc.
